BUSINESS BREAKFAST SEMINAR 'The Economic Climate'

8.00 - 9.30am The Management Centre, Bangor University

Join us for a breakfast and networking event, followed by a Q & A Session chaired by Prof. Colyn Gardner, Chief Executive of The Management Centre. Panellists include:

- Dr Einir Young - Head of Sustainable Development, Bangor University
- Ian Williams - Director of North Wales, Enterprise & International Business Wales
- Dafydd Hardy - Dafydd Hardy Estate Agent
- David Lea-Wilson - Anglesey Sea Salt Company
- Gill Richards MBE - Atebion Recruitment / Gwynedd Business Network

These business leaders are well placed to share with the audience their experiences of success and views for flourishing in the current economic situation. Questions can be submitted beforehand or on the morning of the event.

However likely topics to be covered include:

- Surviving the economic downturn;
- Sustainability and the Environment;
- Skills for growth

Following the event there will be an opportunity for delegates to visit the University's new Business Club lounge for refreshments. The event will also be recorded for future download on the University's website

This unmissable event, sponsored by Bangor University and The Management Centre needs to be booked ahead.
