New and Exciting Training & Professional Development Programmes for 2012

What are your goals and aims for 2012? Embark on a whole new learning journey and really make a difference to who you are and what you do; CPD and Training & Development from as little as £28.50.

Quality Training for the time-precious

We understand that your time is precious. That's why we have introduced a schedule of market-relevant **Continuous Professional Development (CPD) Workshops**, designed to help you get the most out of you, your people and your organisation. If you want to save time, money and develop invaluable skills these ½ and 1 day workshops are exactly what you need...

CPD Workshop Coming Up:

Maximise Your Personal Productivity, 1st Feb 2012 AM (1/2 day)

How to reduce your costs by 20%+, 1st Feb 2012 PM (1/2 day)

Microsoft Project, 21 Feb 2012 (1 day)

Win More Business, 29 Feb 2012 (1 day)

Longer Programmes for Leaders & Managers...

Want to dedicate more time and commitment to your training and development and gain a qualification? We have **Longer Programmes for Leaders and Managers** at all levels which enable you to gain an optional Chartered Management Institute (CMI) qualification in ***just 2 days***.

Programmes Coming Up:

For Senior Managers, Executives & Business Owners (Level 7)

22 - 23 March - **An Introduction to General Management**
Business Owners and newly appointed Senior Managers will be given a solid grounding in the core disciplines required to develop their full potential.

For Practising or Potential Middle Level Managers (Level 5)

10 - 11 April **An Introduction to being an effective Manager and Leader**

This is designed to provide the foundation skills and knowledge to be effective in your role. The programme offers a real 'how to' guide.

Not sure if you want to make commitment? Try one of our [CPD Workshops](#) first, these Leadership & Management Programmes are designed to follow on from where the CPD Workshops left off...

Master-classes - Develop expertise in key disciplines and make a real difference right away

That's exactly what our [Master-classes](#) are designed to do... Our Series of 2 day Master-classes are designed to provide the depth of learning that you would ordinarily associate with an MBA but without the assessment criteria. They provide practical 'how to' knowledge that complement the learner's background and they are offered on a menu so that you are able to personalise your learning journey as required.

Master-classes Coming Up:

[Effective Marketing](#), 9th – 10th Feb

[Mastering Online Marketing](#), 16th – 17th Feb

[How to create an effective organisation](#), 1st – 2nd March

Routes to Funding

The good news is that there's [funding available](#) for those who meet eligible criteria.
